

Welcome to Autenrieder Brauereigasthof mit ****Wohlfühlhotel

Where quality is a family tradition

Since 1650 the Schlossbrauerei Autenried has stood for genuine brewing tradition. After centuries of aristocratic ownership, the family tradition began in 1912 with Alois Rudolph and is now continued by Rudolf and Peter Feuchtmayr. To this day the Schlossbrauerei Autenried combines the brewery, the brewery inn with hotel and agriculture all under its own control – using its own grain and a sustainable, closed-loop system. This is how beer has been created for generations with origin, craftsmanship and character.

Because quality tastes best – Schlossbrauerei Autenried with its beer experience world!

Enjoy a diverse range of local delicacies: Our Schlossbrauerei Autenried will delight you with Autenrieder beer specialties, fruity and refreshing lemonades and spritzers as well as pure mineral water from our well – award-winning and produced with passion. Experience this quality firsthand at the brewery's restaurant and ****wellness hotel. A particular highlight is the brewery museum, which offers fascinating insights into the time-honored art of brewing.

Beer and pure enjoyment

At our brewery inn we are happy to treat you to regional, seasonal and beer-infused cuisine. Whether it's a wedding, christening, anniversary or corporate event, we have a wealth of ideas, individually tailored to your celebration to make it an unforgettable experience. As soon as the weather permits, you can enjoy the sunshine in our beer garden in the courtyard.
